

# **AUGUST IS A MONTH OF “MUSIC” AT THE TAKOMA PARK CHAPEL**

MUSIC is a powerful healing force that can raise your vibration, fill you with a sense of peace and purpose and connect you more fully to the divine source of love and power. In addition to powerful speakers and services, in August, we will have a set of special musical guests to help us use the Power of Music. Be sure to join us during in August: A Month of Music. We will feature special musical services from Jackie Brown and Friends (who have performed at Blues Alley), Frieda Walton, whose stunning vocals thrilled us all at the Publick Playhouse, and our annual Tai Zei Service (a special treat you won't want to miss).
